Sporting Club Sardinia, Portopollo

2026 WEEKS

About us

Sporting Club Sardinia is a sports association affiliated with the Italian Sailing Federation (FIV) and the Royal Yachting Association (RYA), based in Sardinia, in Porto Pollo, in the Municipality of Palau.

An unforgettable experience

Give your children an unforgettable week in Porto Pollo:

a week-long sailing course taught in English, designed for children and teenagers who want to learn while having fun, immersed in the magic of the sea of Porto Pollo Bay, one of the windiest and at the same time safest areas in Northern Sardinia.

A unique opportunity to make new friends, discover a passion for sailing and connect with nature, surrounded by wind, sunshine and crystal-clear water.

All activities take place in a safe and stimulating environment, under the guidance of experienced and passionate instructors.

Participants are divided into homogeneous groups by age and experience, to ensure maximum learning and enjoyment.

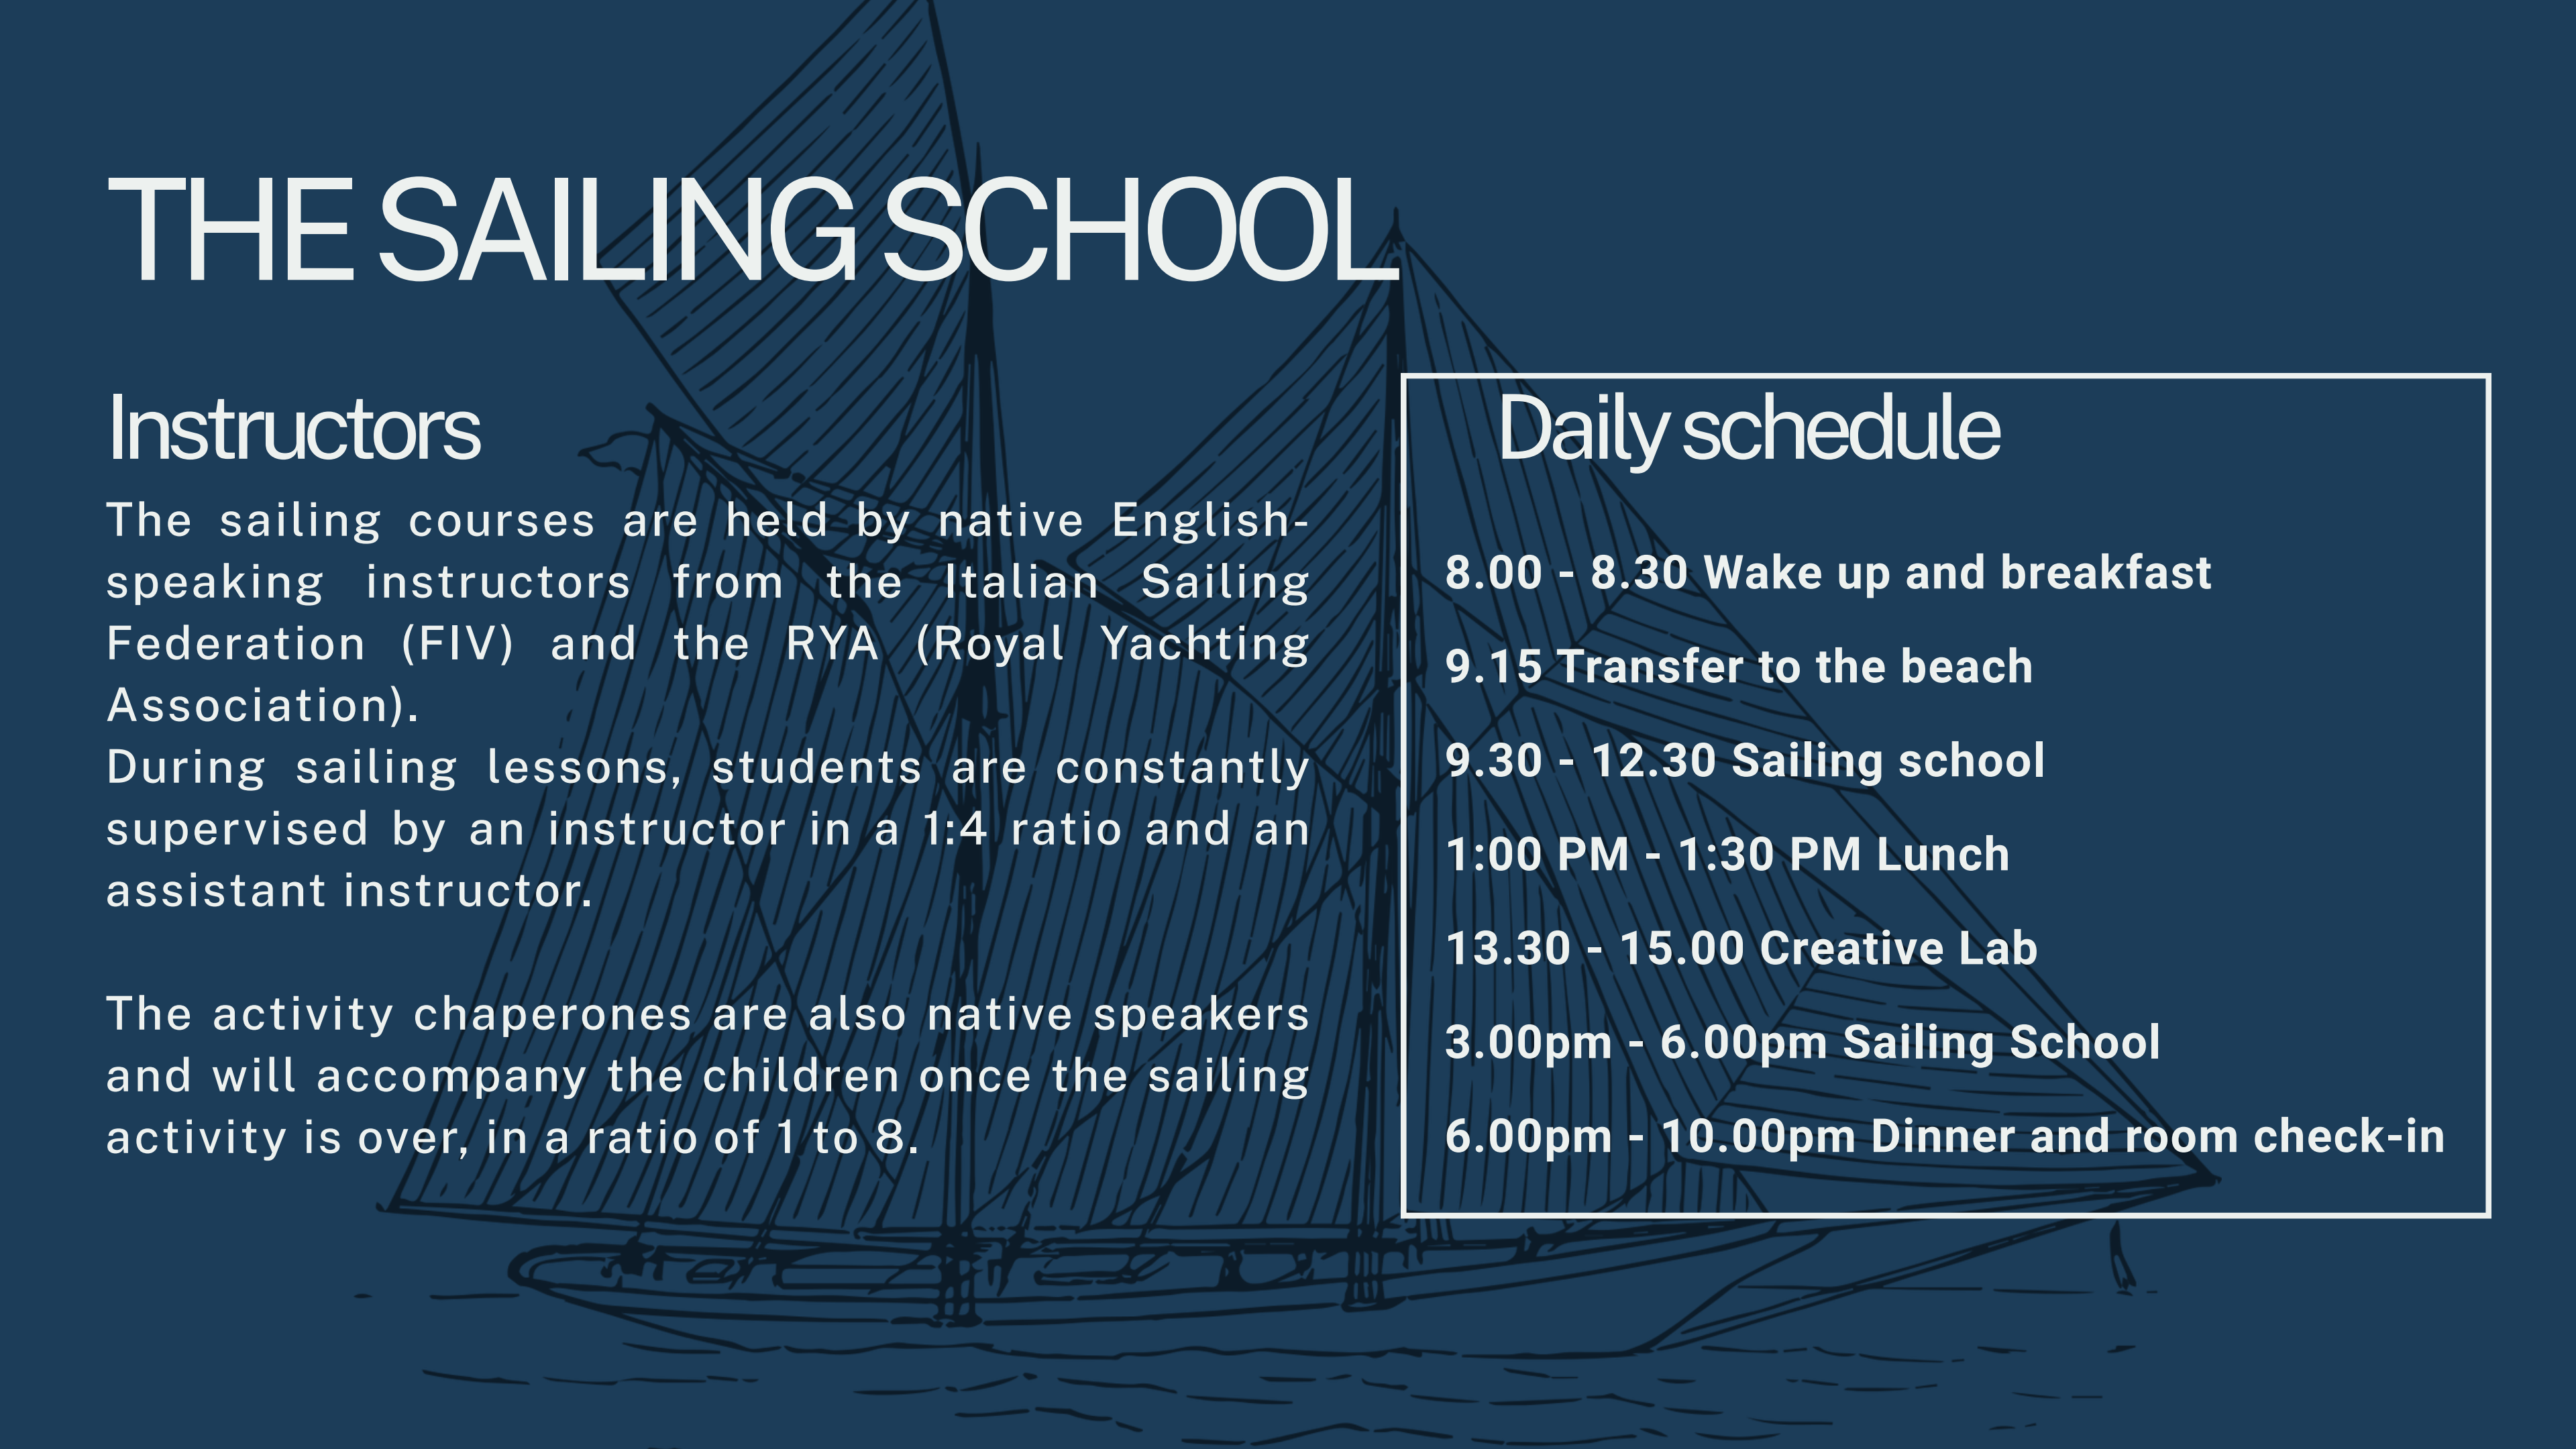

The course encourages cooperation, team spirit and love for the sea, making every day an adventure to remember!

Logistics

Accommodation in Porto Pollo (Palau) is in ensuite rooms with 3-4 beds. The rooms are located behind the beach, and the sailing school is within walking distance without crossing any roads. All meals are served at Il Ristorantino, a restaurant within the school grounds.

THE SAILING SCHOOL

Instructors

The sailing courses are held by native English-speaking instructors from the Italian Sailing Federation (FIV) and the RYA (Royal Yachting Association).

During sailing lessons, students are constantly supervised by an instructor in a 1:4 ratio and an assistant instructor.
